

Dear Linda,

My name is Danielle Cohen
and my mom is a resident at McPecks.
MARY HUBEN. On a recent visit, I picked up a copy
of the April newsletter and was delighted to read
that my mom was mentioned because of her participating
in musical activities. I cannot tell you how much
that meant to me and my family.

I just wanted to send you a note to say
"thanks", but that doesn't even feel like enough!
Please know how important the work you are doing
is to us, the families, as well as the patients.
It is of great comfort to know mom is in such
good hands. As you know, she loves music,
and always has. God Bless you
and your loved ones. You have
a special place in my
heart!

Love,
Danielle
