Dear Jim,

Thank you for all the care that you gave my mother while she lived at McPeak's. Your home was her home. She always loved it when you spoke to her. It made her feel important.

Your staff is exceptional. Everyone has so much compassion and love for all residents. The staff's families became her extended family. As my

mother was declining, everyone showed how much they loved her.

Also, thank you for the flowers that you sent to the funeral home.

I appreciate all that you did for my mother, Hazel, and for our family.

Sincerely,
Gail
